

LICORERA LOS ÁNGELES

**Licorera Los Angeles**, founded in 1972, is a world-class company and a national leader in the bottled rum and spirits market, being the largest producer of spirits in Honduras.

## **MISSION**

Fulfill its commitment to satisfy consumers with the highest quality product, with qualified personnel, supported by honesty, proactivity, perseverance, creativity and teamwork.

## **VISION**

Maintain leadership with quality products, to the satisfaction of our customers, always up-to-date with state-of-the-art technology, staff training, teamwork and dedication for the benefit of the customer and the community.

## ISO 9001-2015 CERTIFICATION

With a notable leadership in the Honduran market for rums and spirits, the company Licorera Los Angeles S.A. of C.V. is the only industry in Honduras certified with the **ISO 9001-2015 quality system and the HACCP Food Management System.**

Licorera Los Angeles stands out for producing leading brands such as Plata, Tatascan, Tovarich and others, offering products that guarantee the highest quality for consumers with certified processes.

Obtaining the worldwide certification places **Licorera Los Angeles** as an exemplary industry in Honduras.
